

Details of Curriculum

We follow NCERT curriculum for all classes from Std I – XII.

The following are the salient features of our curriculum:

1. It upholds Constitutional values such as socialism, secularism, democracy, republican character, justice, liberty, equality, fraternity, human dignity and the unity and integrity of the nation.
2. It keeps pace with 21st century and global trends in various disciplines.
3. It provides ample scope for the physical, intellectual and social development of students.
4. It integrates innovations in pedagogy, knowledge and application, such as human sciences with technological innovations.
5. It nurtures Life-Skills by prescribing curricular and co-curricular activities to help improve self-esteem, empathy towards others and different cultures, etc.
6. It promotes inclusivity by providing equal opportunities to all students.
7. It encourages values-based learning activities.
8. It enlists general and specific teaching and assessment objectives.
9. It integrates environmental education in various disciplines from classes I - XII.
10. It equally emphasizes co-scholastic areas of Work Education, Art Education and Health and Physical Education.
